

About The Indian Institute of Welding

The Indian Institute of Welding (IIW-India) is a national level professional body of welding fraternity devoted to the promotion and advancement of welding science & technology. It was established on 22nd April 1966 with its head office at Kolkata. It has 13 branches all over India. It has about 5000 members & over 300 industries as Industrial Corporate Members. Besides holding Seminars / Conferences, Courses, IIW conducts Associate Membership Examination AMIIW (Equivalent to Engg. Degree) which is recognized by AICTE & MHRD. IIW publishes Indian Welding Journal which has technical research papers of high standards. IIW-India is member of the International Institute of Welding & has acquired Authorized National Body (ANB) & Authorized National Body for Company Certification (ANBCC) as per ISO 3834. IIW is authorized to award internationally accredited professional certificates such as IWE/IWT etc. IIW-India also conducts its own welder certification programme. Directorate General of Employment & Training (DGE&T), Government of India, Ministry of Labour & Employment has empanelled IIW-India as an "Assessing Body" for MES courses under Skill Development Initiative (SDI) Scheme for all courses under Fabrication Sectors in all States and Union Territories in India.

About The Organizers

The Indian Institute of Welding, Baroda Branch

The IIW-Baroda Branch was founded on 29th August, 1998 and has strength of about 600 members. IIW-Baroda Branch is one of the most active branches covering entire Gujarat State. It regularly organizes Seminars, Conferences, Workshops, Technical Lectures, certificate courses on WPS-PQR, Welding Inspector and Visual Inspection, Industrial Visits, National events, IWE/IWT certification, Best welding engineer & best welder competition etc. Baroda Branch has been the centre of AMIIW Examination. IIW Baroda Branch has received IIW India Best Performing Branch Award for the year 2012-13 & 2013-14 consecutively. Baroda Branch Managing Committee consists of highly dedicated, motivated and experienced team of personnel drawn from various industries & academic institutions.

Theme

"Advanced Welding Equipments for Quality & Productivity Improvement"

About The Seminar

The continual competitive industrial scenario always demands creative innovation, to meet tight deadlines with increased productivity, optimum cost and acceptable quality. To match the pace and the pulse of global benchmarking, the industries have to constantly endeavour innovative techniques with respect to productivity and quality. Welding Industry being a backbone for industrial growth, constantly tries to opt and adopt the Welding Equipments for new processes/techniques which can be more productive, cost effective and meeting prevailing national/international quality norms.

"Advanced Welding Equipments for Quality & Productivity Improvement"

at **Vadodara**

on **Saturday, 7th October 2017**, Time : **9.00 am to 5.00 pm.**

Venue:

ITM Universe,
Dhanora Tank Road, Opp. Halol Highway,
Near Jarod, Paldi, Vadodara.

Organized by

THE INDIAN INSTITUTE OF WELDING

BARODA BRANCH

WELDING - FOR NATION BUILDING

Regd. Office : 3A, Dr. U.N.Brahmachari Street, Kolkata 700 017.

Tel: 033-2281 3208 / 2287 1350 Fax: 033-2287 1359.

E-mail: indianwelding@vsnl.net.in Website: www.iwindia.com

Considering this vital aspect, IIW Baroda Branch is organising a seminar on this theme. The intent of this theme is to provide common platform for industry/academic and research institution, to share their Knowledge which could be beneficial to the entire welding fraternity. The focus shall be on recent developments as well as developments in Process & Welding, in welding equipments. This shall be a potential opportunity for persons in the welding field to share/discuss/deliberate, their practical industrial experience/case studies for the benefit of welding fraternity.

It is expected that more than 100 delegates from welding industries all over Gujarat will attend this seminar. 5 invited and 2 contributory technical papers on the theme will be presented by the experts from large industrial houses, Advanced Welding Equipment Manufacturers, research organizations, renowned inspection bodies and academic institutions.

Souvenir

A Souvenir will be published in the printed form to mark the occasion of Celebration of 17th Foundation day of IIW Baroda Branch. Souvenir will contain the technical papers, other relevant information about seminar, organizers and advertisements. It will be an excellent reference material.
