28-Jun-2016

**IIW Baroda Branch is pleased to announce
Two Days Workshop**

On

**“Pressure Equipment Code of Construction
– ASME Sec. VIII Div.1”**

By

Mr. Hiren Dalal

Manager Code Services of HSB International (India) Pvt. Ltd

Dates & Venue:

26th - 27th August 2016 in Vadodara[#]

(# Exact venue will be informed later to registered delegates)

Registration Fees:

Rs. 12000/- per participant (+15% S.T. Extra i.e. Rs. 13800/-)

Contact for Registration & other details:

Mr. Hansadatt (Office: 0265-2398486, Mobile: 9428691917)

E-mail ID: hansadatt1960@gmail.com / iiwbarodabbranch@gmail.com

Person interested to attend this session must get register himself or herself on or before 12th August 2016.

Rajesh Madnani

Hon Secretary, IIW- Baroda Branch

About The Indian Institute of Welding

The Indian Institute of Welding (IIW-India) is a national level professional body of welding fraternity devoted to the promotion and advancement of welding science & technology. It was established on 22nd April 1966 with its head office at Kolkata. It has 13 branches all over India. It has about 4500 members & over 300 industries as Industrial Corporate Members. Besides holding Seminars / Conferences, Courses, IIW conducts Associate Membership Examination AMI IW (Equivalent to Engg. Degree) which is recognized by AICTE & MHRD. IIW publishes Indian Welding Journal, which has technical research papers of high standards. IIW-India is member of the International Institute of Welding & has acquired Authorized National Body (ANB) & Authorized National Body for Company Certification (ANBCC) as per ISO 3834. IIW is authorized to award internationally accredited professional certificates such as IWE/IWT etc. IIW-India also conducts its own welder certification program. Directorate General of Employment & Training (DGE&T), Government of India, Ministry of Labour & Employment has empanelled IIW-India as an “Assessing Body” for MES courses under Skill Development Initiative (SDI) Scheme for all courses under Fabrication Sectors in all States and Union Territories in India.

About Organizers

The Indian Institute of Welding, Baroda Branch

The IIW-Baroda Branch was founded on 29th August, 1998 and has strength of about 530 members. IIW-Baroda Branch is one of the most active branches covering entire Gujarat State. It regularly organizes Seminars, Conferences, Workshops, Technical Lectures, Certificate courses on WPS-PQR, Welding Inspector and Visual Inspection, Industrial Visits, National Events, IWE/IWT Certification & Best Welder Competition etc. Baroda Branch has been the center of AMI IW Examination from the very beginning. Baroda Branch Managing Committee consists of highly dedicated, motivated and experienced team of personnel drawn from various industries & academic institutions. IIW Baroda Branch has received IIW India Best Performing Branch Award consecutively for the year 2012-13, 2013-14 & 2014-15.

THE INDIAN INSTITUTE OF WELDING BARODA BRANCH

202, ArkieView Complex, Tower-A, Atmajyoti Ashram Road,
Opp. Water Tank, Vadodara – 390 023.

Phone : 0265- 2398486, Website : www.iiwbaroda.com

E-mail : iiwbarodabranch@gmail.com

Who Should Attend?

- Individuals, Designers, Inspectors, Engineers or Managers in Quality, Engineering or Sales involved with pressure equipment built to ASME standards
- Fabricators and those involved in procurement of pressure equipment

Why Attend?

- Understand how to use, review and meet ASME Codes of Construction for Pressure Vessel
- Understand third party pressure equipment inspection
- Obtain a certificate of completion from HSB Global Standards

Registration Fees:

- **Rs. 12000/- per participant (+15% S.T. Extra i.e. Rs. 13800/-)**
- The registration is limited to 25 seats only on first cum first serve basis, subject to the registration fees received in advance.
- This fee covers Lunch, Tea & Course Material etc. This Workshop is a non-residential and participants should make their own arrangements for the stay.
- **The last date of registration is 12th August 2016**

About the Presenters

A highly experienced engineer that has extensive experience in ASME Code development will conduct this workshop. Mr. Hiren Dalal is currently Manager Code Services for HSB International (India) Pvt. Ltd., a subsidiary of The Hartford Steam Boiler Inspection and Insurance Co. During his initial career, Hiren has worked with Larsen & Toubro Limited, Hazira works for 10 years as a Manufacturing Engineer for construction of large pressure equipments constructed to ASME Sections I, B31.1, and VIII. Hiren migrated to Canada and worked for Factory Mutual Insurance Company as a National Board Commissioned Inspector, after obtaining his NB Commission and Certificate of Competency from the Technical Standards and Safety Authority (TSSA), Toronto, Ontario, Canada.

Hiren presently holds National Board Commission with "A", "N" & "B" endorsements. He is Secretary of International INDIA Working Group (BPV I) an ASME Committee on Power Boilers (BPV I). He is responsible for setting up Non-Nuclear clients for ASME certificate of authorization and provides technical support/code consulting on ASME Boiler and Pressure Vessel Code Sections I, II, III, V, VIII & IX to his clients and his Inspectors in India.

Workshop Course Description

“Pressure Equipment Code of Construction – ASME Sec. VIII Div.1”

The workshop will cover topics on ASME Section VIII Div. 1 in two days (9 am – 5 pm). The topics will include the requirements for design, fabrication, inspection, testing, and certification of pressure vessels. Additional topics include:

- Scope of Section VIII-1 and Scope Exemptions
- Material requirements:
 - + Boundaries of pressure retaining and non-pressure retaining
 - + Description of Code Cases
- Material recertification
 - + Identification, Documentation
 - + Unidentified and Undocumented differences in product form
- Standard Pressure Parts
 - + ASME Accepted Product Standard
 - + Manufacturers standard, Pressure and Temperature Rating
- Material Identification
 - + Marking requirements
 - + Coded Markings
- Material Documentation
 - + Test Reports & Certificates of Compliance
- Material Inspection
 - + Condition, Markings, Identifications
- Subsection C Requirements
 - + Accepted Specifications, Fabrication and NDE requirements
- Design Requirements
 - + Design Loads, Responsibilities for design
 - + Welded joint categories, Joint Types and Limitations
 - + Joint Efficiencies and Application of Radiography
- Toughness and Fabrication requirements
 - + Exempt and Required
 - + Toughness Test Performance
 - + Base Metal and PQR Tests
- Fabrication Requirements
- Welding Attachments, Post Heat Treatment
- And more.....

Date _____

Dear Sir,

I/We would like to nominate the following Person(s) as delegate(s) for / I intend to attend, the seminar _____ to be held at _____

Name/s	Designation:
1. _____	_____
2. _____	_____
3. _____	_____

Organization :
Mailing Address :
Phone/Fax :
E-mail Box :

[] Attend as delegate(s) Fees Rs. _____

*Cheque/Draft No _____ dated _____ for Rs. _____ in favour of “**THE INDIAN INSTITUTE OF WELDING**” drawn on _____ and payable at Vadodara is enclosed.

Details of Payment by NEFT / RTGS (After payment pl. attach payment slip)

Name of the Bank	ICICI Bank	Name of Beneficiary	The Indian Institute of Welding
Address of Bank	42, Hari Bhakti Society, Bird Circle, O. P. Road, Vadodara	Saving Account No.	000301040143
		IFSC Code	ICIC0000003

Seal of the Organization

Date

Signature

(*Please Note: Local Cheque/at par cheque/DD on Vadodara Bank shall be preferred. For outstation cheque, if any, please add Rs. 100/- as processing charges)
