Late shri Arun Kumar Bhaduri (28.08.1959 – 27.04.2022)

With deep regret and profound sadness, IIW-India Baroda Branch express deepest condolences on the sudden and untimely demise of **Dr. Arun Kumar Bhaduri** on 27th April 2022, at the age of 62 years. Late Dr. Bhaduri was the Past President of The Indian Institute of Welding (IIW-India) from 2017-2019. Professionally, he served as the Distinguished Scientist & Director, Indira Gandhi Centre for Atomic Research, Kalpakkam, Tamil Nadu and superannuated in August 2021. He also served as the Member, Board of Directors; Member-Editorial Board, Welding in the World; Member, Technical Management Board and also the Vice Chair of Commission-II of the International Institute of Welding (IIW). Late Dr. Bhaduri has been actively involved with industry, government, education and research activities for almost 40 years.

May his soul rest in peace!

Late shri Ratish Ranjan Bhattacharjee
(14.04.1926 - 29.04.2022)

With deep regret and profound sadness, we would like to inform our members about the sad demise of Shri Ratish Ranjan Bhattacharjee at the age of 97years. Late Mr. Bhattacharjee was a Life Fellow of The Indian Institute of Welding (IIW-India). Professionally, he started his career in the Indian Army as Lieutenant for a short period and then joined Burmah Oil Company in their Assam Oil Fields at Digboi. He served various Divisions of the Production Department (specially Boiler Division) in various organisations for almost 50 years. As Chief Construction Manager of Marshall Group, a multinational organization, he devised numerous cost effective means to combat bunker collapse in Coal Handling Plants and Ash Handling Plants and also redesigned structure fabrication and erection technique minimizing cost and time considerably, almost eliminating accident risk prevailed earlier.

He was a keen athlete and a sportsman in Cricket and Golf. A passionate trekker from his teen age, he continued his passion covering many of the challenging and hazardous trek route in the country and abroad. He was also attached to the Lion's Club Organisation and also received the Life Time Achievement Award for outstanding contribution towards service to the less fortunate people in the community.

He was the person, who has instituted Minati Bhattacharjee Memorial Award for Excellence, in memory of his wife, for initiating Membership of the Institute. At first, this award was given to the individuals who authorised maximum members in any financial year. Since 2012 onwards, this award is given to the best performing branch of the Institute.

Due to his aging issues, he was ailing for the last one and a half month and finally bid farewell to the welding fraternity on 29th of April 2022. He left this behind his son, daughter and a number of his well-wishers in India and abroad.

Our sincerest condolences to his family members in their hour of grief and we pray for them for their strength and courage to tide over this irreplaceable loss. His sad demise is a great loss to the Institute as a whole and he will long be remembered by the entire IIW-India family.

May his soul rest in peace!

One Day Workshop on Additive Manufacturing with Welding

One day workshop on Additive Manufacturing with Welding was organized at PDEU Gandhinagar for the students of IIW Marwadi University Student Chapter. Total 25 student of IIW student chapter of Marwadi University have participated in this workshop. In the workshop 4 hours of technical session on the additive manufacturing was arranged. Research Scholar Mr. Kshitij Acharya has given the informative session on fundamental of additive manufacturing like, material of AM, various processes of AM, application of AM, Advantage and disadvantage of AM processes etc. Dr Vishvesh Badheka, HOD, Mechanical Engineering Department PDEU has delivered 2 hours session on application of welding in additive manufacturing in which topic like, AM using MIG, use of welding in laminated sheet additive manufacturing, Direct deposition Metal additive manufacturing etc was covered. After the technical session demonstration of various additive manufacturing processes were arranged. The summary of workshop is as under.

Topic :	Additive Manufacturing with Welding
Date :	04-03-2022
No of Students :	25
Speakers :	Dr. Vishvesh Badheka, Mr. Kshitij Acharya
